HIGH PERFORMANCE ICE MACHINE CLEANER IN A POWDER

HL COIL BRITE

- * NO MORE DANGEROUS LIQUID SPILLS.
- * CAN BE SHIPPED WITHOUT EXPENSIVE HAZARDOUS CHARGES.
- * LESS EXPENSIVE TO STORE AND SHIP.
- * USES TRADITIONAL APPLICATORS.
- * EASY CLEAN UP. EASY TO USE.
- * EASY RINSE FOR QUICK CLEANING.
- * MILD ODOR.

SAFE AND EFFECTIVE CLEANER AND BRIGHTNER FOR ALL CONDENSER COILS

EXTRA LONG SHELF LIFE: With the seal intact COIL BRITE has an indefinite shelf life. COIL BRITE will not separate and become unusable like most liquid formulas. The worry of how long your coil cleaner has been in inventory or in the service van is gone.

BRIGHT & CLEAN: COIL BRITE is an acid based coil cleaner formulated to thoroughly clean the toughest coils using a controlled foaming action for unsurpassed cleaning power. Makes old coils look like new.

SAVES VALUABLE SPACE: One 14 oz. Container of COIL BRITE is equal to one gallon of 6:1 solution of concentrated liquid coil cleaner, over 9 pounds. COIL BRITE occupies only 1/16 the space of liquid coil cleaners. Saves shelf space and takes less room in the service van.

DECREASED WEIGHT: Every unnecessary pound shipped increases cost. COIL BRITE weighs less than 14 oz. while ordinary liquid coil cleaners can weigh over 9 pounds (144 oz.). COIL BRITE has 13 times less weight to ship.

☐ **CONTROL INVENTORY,** stock only what you need. It is no longer necessary to place large orders just to obtain a reasonable freight cost.

❖ **BETTER HAZARD CONTROL,** COIL BRITE avoids dangerous and messy spills that can damage your facility, vehicles and destroy other valuable inventory. Prevents liquid spills that can attract unnecessary regulatory attention.
