

Introducing

TRAX

Liquid Leak Detector

Performing
Under Some of the
Toughest Conditions
There Are...OURS.

Cleaner. Faster. Cheaper.

Introducing TRAX — the liquid leak detector that's been developed to meet the toughest standards, and tested under the most demanding conditions. Because at Highside Chemicals, "setting the standards" is our job.

New TRAX is exactly what you asked for in leak detection. And at Highside —
We're Listening.
